Re: Request No. DOC-NOAA-2019-001480

Dear Kate Poole,

This letter is in response to your Freedom of Information Act (FOIA) request which was received by our office on June 17, 2019, in which you requested:

1. All records related to the reinitiated Endangered Species Act Section 7 consultation on the Coordinated Long-term Operation of the Central Valley Project and State Water Project and endangered winter-run Chinook salmon.
2. All records related to the reinitiated Endangered Species Act Section 7 consultation on the Coordinated Long-term Operation of the Central Valley Project and State Water Project and threatened spring-run Chinook salmon.

Fee waiver is granted.

15 C.F.R. 4.6(d) (2) allows an agency to extend the FOIA response deadline by ten business days for unusual circumstances. Due to the need to search for and collect the requested records from field facilities or other establishments separate from the office processing the request; we are choosing to invoke this 10 day extension.

If you have questions regarding your request, please contact Shawn Martin at Shawn.Martin@noaa.gov or call (916) 930-3792.

Sincerely,

MARTIN.SHAW
